Areas of emphasis include Technique, Tactics and Strategy, Fitness, and most of all - FUN. Continuing this year will be the inclusion of cross-training, as we introduce campers to soccer, softball, table tennis, POP tennis and other sports that will enhance the individual's long term athletic development and overall camp experience.

- **RED – Beginner (1.0-1.5):** Players are introduced to the fundamentals of tennis through drills and play-based activities.
- **GREEN – Advanced Beginner (2.0):** Players have limited on-court experience and are still developing their basic tennis strokes. They are working to improve consistency in rallying the ball over the net. Players engage in a variety of play-based activities to help them develop playing strategies.
- **BLUE – Low Intermediate (2.5):** Players continue to perfect basic tennis skills. They are introduced to the tennis game format and scoring, and they begin to develop an understanding of the game. Overhead serves and games-based drills are a focal point at this level.
