

## 5 Weekly Sessions from Monday, June 25 – Friday, July 27, 2018

**(No camp Wednesday, July 4, Separate mini-camp is offered)**

Our Indoor/Outdoor 10 and Under Tennis and Sports Camps provide group instruction to campers between the ages of 5-10 at all levels of play. Areas of emphasis include Technique, Tactics and Strategy, Fitness, and most of all - FUN. Continuing this year will be the inclusion of cross-training, as we introduce campers to soccer, softball, and other sports that will enhance the individual's long term athletic development and overall camp experience.

**36' Red Court**

**60' Orange Court**

**78' Green Court**

Our 10-and-Under Tennis Programs (TAUT) teach children based on age, physical size and ability. By modifying the court dimensions (36' or 60' in length), equipment (appropriately sized tennis racquets and red, orange or green balls), net height and scoring system, coupled with a play component, children develop better technical and point playing skills.

**Free of charge, Field Trips will be included to Full-Day registered campers ages 8 and above in 2018.**  
Off-site field trips will be nearby venues in the Flushing Meadows-Corona Park area.

**Red – Players ages 5-7 years** – Players work on their ABCs (agility, balance, & coordination) while developing dynamic movement and movement patterns that focus on sending and receiving. Goal is directional control on both Forehand and Backhand sides with different grips. Red or Foam Ball play on 36' Courts. \*Red Ball players staying the full day session participate in tennis and sports in the morning and a variety of games, crafts and other fun activities in the afternoon.

**Orange – Players ages 8-10 years** – This level continues to build upon the sound athletic base established in earlier classes while integrating more rapid movement and reactions. Players will utilize directional control, spin, and positioning to their advantage while also being able to consistently rally and cooperate with a partner. Orange Ball is played on 60' Courts.

**Green – Players ages 8-10 years** – Players in this class are technically sound and tactically engaged. Players are beginning to determine their style of play and how it matches up with other styles. Green Ball is played on 78' Green Court.
