

# 2017 Fall

## 11 and Under Pathway

**Thursday, September 21 – Sunday, January 14, 2018**

**( No classes: Thursday, Nov. 23 – Sunday, Nov. 26, Friday, Dec. 22 – Monday, Jan. 1 and Friday, Jan. 12 )**

Our 11 and Under Pathway introduces tennis to children based on age, physical size and ability. By modifying the court dimensions (36' or 60' in length), equipment (appropriately sized tennis racquets and red, orange or green balls), net height and scoring system, combined with a match play component, children can develop better technical and point playing skills, while having more fun along the way.
