

2018 Winter 11 and Under Pathway

Tuesday, January 16 – Monday, April 30, 2018
(No classes: Friday, March 30 through Sunday, April 8)

Our 11 and Under Pathway introduces tennis to children based on age, physical size and ability. By modifying the court dimensions (36' or 60' in length), equipment (appropriately sized tennis racquets and red, orange or green balls), net height and scoring system, combined with a match play component, children can develop better technical and point playing skills, while having more fun along the way.

Day of Week	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
